

Your HOA Membership and Its Purchasing Power

Your Board has been searching for opportunities to leverage our collective buying power. This spring, the Board secured an exclusive with Sherwin Williams for special pricing for EGPCA homeowners. This pricing includes both interior and exterior paint products. Both you and your contractor can take advantage of the special pricing. (it's better than contractor pricing). To take advantage of this EPGCHA member opportunity, mention the HOA and refer to the discount code below to maximize your savings:

Eagle Point Golf Course Community HOA 2719-6984-2

Select the Perfect Colors

- The CCRs address the color palette for exterior house colors in only general terms. The Board, to provide clarity as well as added value for the homeowners, has utilized the professional services of Sherwin Williams to design color palettes (base, trim, accent) for you to consider when deciding on paint colors. Most options will work equally well with most homes. There are over forty (40) options to choose from. You can find these suggestions at:

<https://www.sherwin-williams.com/homeowners/color/find-and-explore-colors/hoa>

- If a custom, one-of-a kind color scheme is more to your liking and you would like assistance, Kim Benson, a professional color designer with Sherwin Williams can help! Kim has a degree from the Art Institute of Seattle in Residential and Commercial Interior Design and over 20 years' experience helping people choose the right colors for their unique project. Through our relationship with Sherwin Williams, Kim is available to help, free of charge, at the stores, and for a \$50.00 charge will come to your home for up to a 90-minute consult. Kim's direct phone is **541-840-3328**. Her store hours are:

North Medford, 2560 Crater Lake Highway, Friday 10-3, Saturday 10-4

South Medford 1361 Center (off of Barnett) Tuesday & Wednesday 10-3

Expedite Your Project

- If you select one of the suggested color schemes for your home, **you still need to submit a Modification request form but we can expedite and simplify the approval process.**
- Even if you do not choose Sherwin Williams paint products, most companies can match the colors that you select from the HOA palette of colors. That is no problem. Summer is a busy time of year for the Modification Committee so please submit your requests as early as possible!

Select Your Paint Contractor

Selecting the best contractor for your project will make a difference in your schedule, cost and the end result. Sherwin Williams has provided us with the names of contractors they can recommend as reliable, established professionals. These companies have agreed to use the special pricing and pass it on to their customers.
